Dear Readers,

As we embrace the heart of winter, February brings with it a sense of excitement and energy here at APS Gopalpur. This month has been filled with engaging learning experiences, important events, and celebrations that make our school community so special. From our academic achievements, upcoming activities to celebrations we have a lot to look forward to in the weeks ahead. We are proud to share the highlights of the month and keep you informed about what's going on in and around our school.

The FLN Mela is an annual event that brings together students, teachers, and industry experts to promote networking, innovation, and skill-building. The event offers hands-on experiences, workshops, and demonstrations, allowing students to apply theoretical knowledge to real-world problems.

School excursions are an integral part of the educational experience, offering a wide range of benefits that extend beyond the classroom. These outings provide students with opportunities to learn, grow, and develop essential life skills.

The Central Board of Secondary Education (CBSE) Board Exam is a pivotal milestone in the academic journey of students. It is a comprehensive evaluation of students' knowledge, skills, and understanding of various subjects.

World Thinking Day is celebrated annually on February 22nd by Guides and Scouts around the world. The day is dedicated to empowering girls and young women to think critically, make informed decisions, and take action to create positive change.

ACTIVITIES

FOUNDATIONAL LITERACY AND NUMERACY (FLN) MELA: The foundational level organized FLN mela on 7th February 2025. All the classes from Playgroup to Class 2 placed classwise stalls. The parents were cordially invited to take part in the mela and participated in various educational and recreational activities along with their children. The event was a great success and it was heartening to see smiling and happy faces of children and their parents.

TIE & DYE ACTIVITY: The students of Class VI participated in a vibrant and engaging tie and dye activity from 8-11 Feb, showcasing their artistic skills and creativity. This hands-on experience allowed the young artists to experiment with colors, patterns, and textures, resulting in unique and stunning designs. This activity not only encouraged creativity and self-expression but also taught the students about the art of tie and dye, its cultural significance and the importance of patience and experimentation in the creative process.

ACTIVITIES

PARENTS INTERACTION WITH PRINCIPAL: The school hosted a Parent-Teacher Meeting with the Principal specifically for class X & XII students and their parents on 10th February 2025. The meeting was aimed to reduce upcoming CBSE Exam stress, crucial role of parents during examination and maximizing exam success.

CLUB ACTIVITY: Club activity program provides students with a platform to explore their interests, develop new skills, and build relationships with peers. The program aims to foster creativity, teamwork and leadership among students under the guidance of the facilitators.
