As we delve into the month of December 2023, the prescribed curriculum at APS is designed to foster intellectual growth and holistic development. The topics outlined for Foundational Level were as follows:

A	Colour	Red & White
b	Activity	Drawing ( energy conservation)
c	Art form	Kolam
d	Theme	Eco System

**Navy Day**. A noteworthy commemoration of Navy Day transpired with a special celebration titled “***Guardians of the Sea***” organized on 4 Dec 2023.

**National Energy Conservation Day**. National Energy Conservation Day was commemorated with great enthusiasm on 14<sup>th</sup> Dec 2023. An awareness show and displaying **insightful placards** promoted students for electricity & water conservation as well as the judicious use of fossil fuels.

**Parent Teacher Meeting**. A Parent-Teacher Meeting was convened and parents were apprised of their child's academic performance and guidance. This communication aimed to foster a collaborative approach between the teachers and parents, ensuring the holistic development.

**Christmas Celebration.** The Christmas celebration was marked by a thoughtful gesture. Gifts were distributed by Santa Claus created joyous and personalized experience for the students.

The festivities continued with a special assembly, fostering a sense of unity and festivity within the school community.

Furthermore, the school ensured a delightful experience for the children by distributing goodies, adding an extra layer of merriment to the occasion.

**Thank You**
